Remarks

Paradise found! This stunning, sturdy and stylish home has undergone extensive renovation, but the position of this home on the Grand Canal is the true show stopper. Just one bridge separates you from the crystal blue waters of Roberts Bay. A corner lot with boating waters to the east and south means panoramic views of the deep water canal. The pool, spa and gorgeous paver deck will be your favorite spot to relax and watch boat traffic. For boat enthusiasts, your dock with a lift for a boat and a jet ski are ready for you. Two floors of luxury living with an extensive non-conforming space on the lower level, this home is perfection for the full or part time island dweller with dreams of enjoying life to the fullest on sunny Siesta Key!
